**Regarding your application for admission to MSc in Computer Science and Engineering
(semester start 1st September 2024)**

Dear Andrei Soldan

Congratulations! Technical University of Denmark is hereby pleased to offer you a place on the above MSc programme.

You must confirm that you accept the place on the MSc programme.

To accept or reject the offer of a place on the MSc programme, go to the 'See status of applications' tab, choose 'Accept/Reject offer' and follow the instructions.

After you have accepted the offer, your data will be transferred to DTU's study administration system immediately after 15 June 2024. If you have received this letter after 10 June 2024, the transferral will happen on an ongoing basis.

After the transferral, you will be assigned a student e-mail address S(student ID number)@dtu.dk.

You can then order a password and access www.inside.dtu.dk and <https://studieplan.dtu.dk/>, where you can register for courses. If you have previously been allocated a student ID number at DTU and have a password, it will be reactivated.

If you confirm that you accept the place on the MSc programme **before 15 June 2024**, you will be able to register for MSc courses in the registration period running up until **5 August 2024**.

The deadline for confirming that you accept the place on the MSc programme is 15

August 2024.

At <https://www.dtu.dk/english/education/graduate/intro-for-msc-students> we have gathered useful information, including important dates in connection with study start and course registration.

We believe that you will have the best study start by participating in Introduction Week, which aims to create networks across social and academic environments and prepare you for studying with students from all over the world.

The study start is Monday, 2 September 2024.

Once you have been admitted, you may request an early study start, if you wish to attend courses that will form part of your MSc programme, in the 3-week periods before your formal study start (July-August/January). Please send us an e-mail no later than 14 days before the course begins and inform us of the course number, if you wish to have an early study start.

We look forward to offering you an exciting and challenging study programme at DTU in an intimate study environment!

Kind regards

Office for Study Programmes and Student Affairs
